

Personal Profile

Karen Kline Asset Manager

Prior to joining Dominion, Ms. Kline oversaw a portfolio of 1200 units throughout Minnesota and Wisconsin. Ms. Kline oversaw 22 sites including market rate and tax credit units. Ms. Kline's responsibilities included preparation of marketing and business plans, supervision of site managers, management of property operations, execution of capital expenditure projects, monthly and quarterly reporting to asset managers, developers and owners and preparation of annual budgets.

Prior to this position, Ms. Kline worked for a national company overseeing a portfolio of eight properties consisting of 1700 units, ranging from project based Section 8 sites, tax exempt bond, tax credit and large market rate sites, in four states. Ms. Kline also worked ten years as an on-site manager, for market rate sites ranging from 168 units to 740 units. This included lease up sites, stabilized and rehab properties.
