

Personal Profile

Twala Carey Asset Manager

Since joining Dominion in March of 2002, Ms. Carey has served as an Operations Auditor and Regional Manager and currently holds the position of Asset Manager for the ownership entity. As Asset Manager, Ms. Carey oversees a portfolio of 52 properties comprised of 6,500 market rate and tax credit units which are located in 10 states, including Minnesota, Iowa, Kansas, St. Louis, Ohio, Indiana, Michigan, South Dakota, Nebraska and Colorado.

Ms. Carey has worked in the property management field for over 16 years. Prior to joining Dominion, Ms. Carey worked for Texas based CWS Apartment Homes, an owner and management group. While with CWS, Ms. Carey's responsibilities included on-site management of communities ranging in size from 260 – 600 units, the execution of financial and operational due diligence for many acquisitions in

five major markets, supervising the transition teams for newly acquired properties, and the development and implementation of a company-wide property management software training program.
