Dominium Announces Acquisition of Autumn Ridge Apartments

Dominium acquires 96-unit property in growing Nashville market

MINNEAPOLIS — November 24, 2015 —Dominium, a Minneapolis-based leading apartment development and management company, announced today that it has acquired Autumn Ridge Apartments. The property expands upon three other Nashville-area projects the developer acquired earlier this year.

“Dominium is excited to grow our presence in the Nashville area with the acquisition of Autumn Ridge Apartments in Gallatin,” said Dominium development associate, Cody Dietrich. “Acquiring this property was a great opportunity to expand in this growing market.”

Dominium will be upgrading the units in Autumn Ridge with a substantial renovation, including new cabinets, countertops and appliances as needed. Exterior upgrades and renovations are also planned for the property.

Autumn Ridge Apartments was built in 1998, the renovations are planned for completion in December of 2016.
